## WORK EXPERIENCE

### Sushi Galore

London, ON

Hostess/Server, Department

July 2021 - August 2023

- Collaborated and communicated with coworkers in a fast-paced restaurant environment
- Promoted a welcoming environment for both diners and staff alike, tending to customer needs and assisting coworkers in their duties
- Practiced consistent problem-solving and attention to detail
- Trained new employees on their roles and advised them on customer service skills

## PROJECTS

### Mr. Monkey Childwork Toolkit | Java

- An all-encompassing application containing necessary resources for leaders such as elementary school teachers and camp counsellors working with children
- User and student profiles, allowing leaders to save names and information on their children to enhance their personalized experience on the app
- Activity database with over 30 games to play with children, filterable by amount of kids, level of energy required, skills and indoor/outdoor games
- Seating chart and group generator, taking into account children who should not be grouped with each other by user's entered preferences
- Random name picker of the group of children entered by the user

## LEADERSHIP

### Development and Alumni Engagement Ambassador

Vancouver, BC

University of British Columbia

September 2023 - Present

- Promoted UBC's programs and campaigns in support of student success
- Raised funds to increase student access to financial resources

### FIRST Robotics Team Captain

London, ON

Sir Frederick Banting Secondary School

September 2022 - June 2023

- Overlooked and managed a team of 40 students, delegating tasks to executives and organizing team outreach events
- Encouraged women exploration and leadership in STEM, introducing our school's first Girls' Hour of Code
- Presented and pitched our team and FIRST Robotics to worldwide companies, securing over \$8000 in sponsorship for the 2023 season
- Helped lead our team to our first District win at University of Western Ontario

### Music Council Outreach/Social Media Coordinator

London, ON

Sir Frederick Banting Secondary School

09/2022 - 06/2023

- Helped rebuild the school's music program through active promotion on social media and outreach at elementary schools, presenting to incoming grade 9's about the musical opportunities offered at our school
